Sort by Most Recent Antici Highest score Lowest score Access Performer: Pink Floyd Composer: David Gilmour, Roger Waters Genre: Soft Rock Downloads: 44 Sheet music is the format in which songs are written. The sheet music begins with a musical staff composed of graphs that have five lines and four spaces, each representing a note. Singers composing songs with standard musical notation use paper to create sheet music, which can then be transmitted to musicians performing the sheet music for a musical performance. Today, making your own sheet music is easier than ever. With notation software like Finale, or the free web-based service Noteflight, anyone can turn their musical ideas into professional musical scores. Use Noteflight to get started (see “Resources”). Noteflight is a free web-based music notation service that lets you write, print and even save your sheet music as music files for playback. Noteflight has a clean and easy-to-use interface that allows even a beginner to create a song in sheet music. Since Noteflight lets you listen to what you’ve written, you can experiment with different notes until you create something that sounds good, even if you’re not familiar with musical composition. Create a Noteflight account and sign in to start creating your sheet music.
